TO OUR RETAIL CUSTOMERS:

We are proud to present this new Country Trains' Catalog. We have added several new products and streamlined our services. To our new customers, we offer the lowest prices possible consistent with quality and good business. To our old friends, we offer the same service and quality products as in the past.

PRICE GUARANTEE: The retail prices in this catalog are effective until the next catalog update.

QUALITY: We continuously work to insure that all merchandise is top quality. Therefore, we will exchange any defective merchandise. Please write or call before returning any merchandise. We will then advise you of the best procedure for returning the merchandise. All merchandise returned for credit must be unused.

BACK ORDERS: All items listed in the catalog were available at the time the catalog was printed, however we have little control of our suppliers manufacturing and delivery schedules, nor of their option to change product specifications or to drop altogether the manufacture of various items. We will back order only up to 25 working days. If we cannot fill your order within that time, we will notify you when an order could be filled and refund any balance at that time.

SHIPPING AND HANDLING: Add \$6.00 for shipping on orders of \$49.99 or less. Shipping is free if the total for the order is \$50.00 or over. Regardless of order amount, add an extra \$2.00 if you require shipment by the United States Postal Service. On international shipments, the actual shipping fees will be added to your invoice.

BREAKAGE: All shipments are insured unless otherwise instructed, therefore any claims for breakage must be made with the carrier.

LATEST CATALOG: We distribute our catalog annually to current customers. An order will keep your name current on our mailing list. If you have not ordered in the last 2 years, please write for a copy of our latest Country Trains' Catalog.

NEW ITEMS: We are always searching for new or unique railroad related products. If you have such a product and would like us to distribute your product for you, please feel free to call or write us concerning the details of such an arrangement.

BUSINESS HOURS: We are normally in the office weekdays from 9 AM until 5 PM and at other times by chance. We are closed for employee vacations during the week between Christmas and New Year's Day.

Respectfully,

Jan Bernier
